

Directions & School Bus Information

Directions

From I-405 (downtown Portland) follow signs for Highway 26 West. From Highway 26 West, take the Oregon Zoo & Forestry Center Exit. Take a right after the exit and follow signs for the Forestry Center. Continue up the hill past the Forestry Center and make a right turn onto Kingston Drive (there will be a wooden sign for the Japanese Garden and Rose Garden just before the turn). Follow Kingston Drive about two miles through Washington Park. At the stop sign, make a left turn onto Kingston Avenue. The parking is on the left.

Alternatively, from downtown follow the MAX line westward along SW Morrison Street. Turn left at SW 18th Avenue. Turn right at SW Salmon Street. Follow Salmon Street uphill to King Avenue. Turn right followed by a quick left onto Park Place. Continue up the hill past Vista Avenue to the entrance to Washington Park. Bear right around the loop. Follow the signs to the Rose Garden. On the far side of the Rose Garden, turn right onto Kingston Drive. You will see our parking lot on your left.

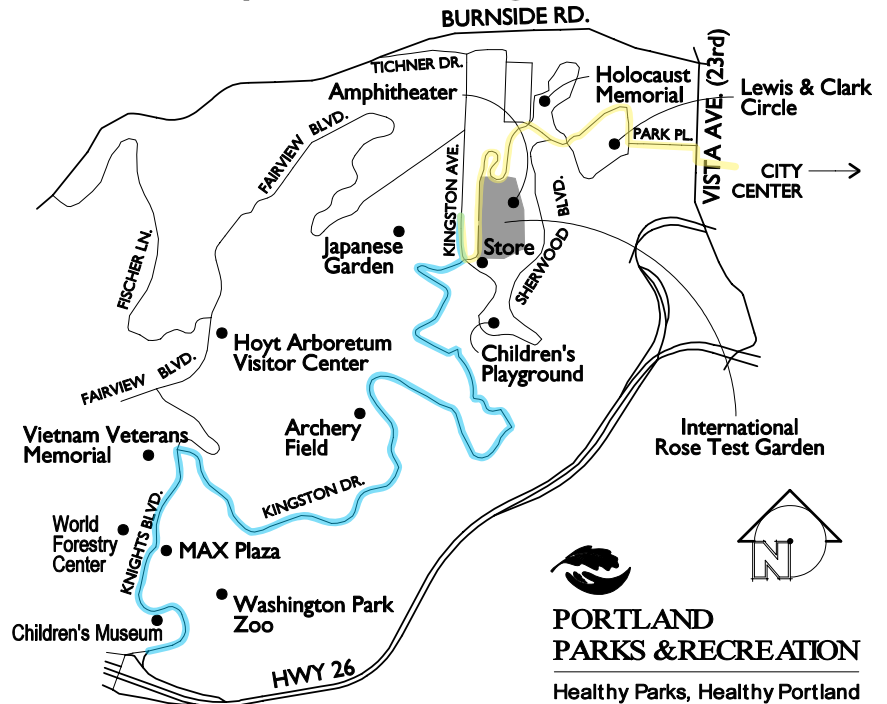

Drop Off/Pick Up

The Garden's entrance walking path (through our antique lower gate) is approximately 500 feet and leads to the Admission Gate. School groups must walk quietly up the path to the Admission Gate. To make alternative arrangements for visitors with mobility issues, please contact the Tour Coordinator. **Bus drop off at the Admission Gate must be arranged in advance.**

Parking

Bus parking is available in the Rose Garden parking lot. Generally, additional space is available in the parking spaces near the tennis courts. There is no bus parking at the Garden Admission Gate at the top of the Garden's service road.
